## FIRSTAVENUE ANNOUNCES NEW PROMOTIONS

FIRSTavenue, a leading global private placement agent and investment advisory firm, is pleased to announce the following promotions in the Americas:

### To **Partner**

- Brian Price, Dallas
- Chris Tehranian, New York

### To **Vice President**

- Hannah Mudge, New York

“The Americas has always been and will continue to be a critical region for FIRSTavenue. These Partner promotions means that we now have a regionally balanced business at the top with a core group of Partners in each region acting locally and operating globally.” said Paul Buckley, CEO.

“As our US business continues to grow, these very well deserved promotions reflect each individual’s strong commitment, exemplary teamwork and consistent high performance within FIRSTavenue. The recent Partner expansion of Chris Tehranian and Derek Dietrich (joined as Partner in January 2018) in New York and Brian Price in Dallas is a reflection of the depth of expertise and leadership across our US offices within distribution and project management.” said Jess Larsen, Partner, Head of Americas.

### **About FIRSTavenue**

Founded in 2006, FIRSTavenue is a leading, independent global placement and advisory firm dedicated to raising capital for a distinguished group of alternative asset managers and private companies across private credit, private equity, real assets and real estate. With an experienced team of over 55 professionals located in London, New York, Dallas, Hong Kong, Sydney and Seoul, FIRSTavenue provides global distribution and accessibility to an extensive network of institutional investors.
